

Town of Forest
Vernon County, Wisconsin

Application for Driveway and/or Alterations on Town Road Right-of-Way

Date _____

Name of Property Owner _____ Property Location _____

Mailing Address _____ Telephone N° _____

Type of Permit requested _____ Number of driveways _____

Commercial or Residence _____ North South East South Side of Road
(Circle One)

Remarks

The Town Board shall inspect location before work has begun.
Observe items 1 through 6 regarding construction:

1. Proper barricades, signs, flags and lights shall be provided and maintained at all locations where construction and maintenance work interferes with normal traffic use of road.
2. The applicant, his successors or assigns agrees to hold harmless the Town of Forest and its duly appointed agents and employees against any action for personal injury or property damage sustained by reason or of this permit.
3. The entire cost of constructing, maintaining, removing, altering, or replacing the facility installed under this permit shall be the sole responsibility of the applicant, his/hers successors or assigns.
4. The roadway shall be kept open for traffic and the indicated number of lanes shall be provided. There shall be no interference with traffic due to the placing of excavated material or machinery on the lanes kept open for traffic.
5. All damages to the highway shall be repaired, and the roadway surface, shoulders, slopes, ditches, etc. shall be restored to a condition acceptable to the Town Board at the sole cost and expenses of the applicant.
6. A _____ inch diameter culvert pipe _____ feet in length, provided by the town, shall be installed under the each driveway to provide proper drainage along the road. At a distance of a minimum eight feet from edge of the road, the finished grade of driveway shall be at least six inches below the grade of the edge of the adjacent road.
